

TRIMMER + BLADE OIL

Cleaner results for every blade.

Our professional-grade biodegradable oil for hedge trimmers is tailored to meet the demands of high-speed commercial trimmers. This premium bio-based oil offers top-notch protection and performance for your equipment, extending its lifespan and outperforming traditional petroleum oils. A unique bio-solvent additive prevents sap buildup that can clog blades and strain motors or engines. Made from food-grade soybean oil grown by American farmers

SPECIFICATIONS

- Exceptional lubrication • Temperature stability
- Eco-friendly composition • Durable performance
- Clean operation • Anti-rust formula

PERFORMANCE

- ASTM D4172 <.48mm wear • ASTM D92 >400°F flash pt.
- ASTM D665B pass salt water corrosion • ASTM D2270 >210 VI
- ASTM D6749 0°F pour pt.

SUSTAINABILITY

- USDA Certified bio-based product
- Certified ultimate biodegradable
- Environmentally Acceptable Lubricant (EPA)
- OECD 201, 202, 203 pass
- Practically non-toxic (EPA)
- Ohio Soy partner
